

**Always online, no matter where in the world you are**

**Your personal WiFi hotspot in 140+ countries**

## The challenge

- International data roaming can be crazy expensive
- To avoid a 'bill shock', people use public WiFi while traveling
- Public WiFi comes with high security risks

## The facts

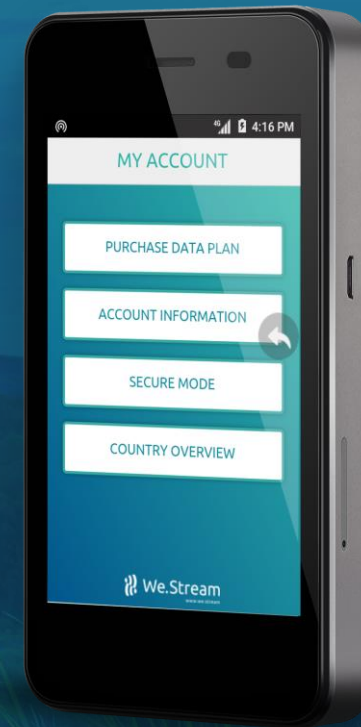

- “Why you should avoid hotel Wi-Fi” – Techradar, 8 March 2018
- “Traveling through these Airports? Don’t connect to their public Wi-Fi” - Travel Pulse, 19 July 2018
- “Please stop charging your phone in public ports” – CNN Tech, 16 February 2017
- “Only 6% of corporations don’t forbid public WiFi with business devices” – New York Times, 19 June 2017

## The solution

- We.Stream: Award-winning pocket sized mobile WiFi hotspot
- Easy to activate worldwide internet connectivity for mobile devices
- Personal, secure and affordable mobile WiFi in 145 countries
- Check your email, use Google Maps or order your Uber from everywhere
- Price: € 149,- (ex VAT). Including the first 3 days of worldwide internet

## 1 Embedded Cloud SIM

- Worldwide the best mobile data rates
- Activate data plan with one single click

## 2 SIM slots

- 2 free SIM slots
- Use your own SIMs securely

## 3 Powerbank

- Up to 15 hours online
- Charge your devices securely

## 4 Built-in VPN

- Setup a secure VPN tunnel from the device
- Option for direct P2P with your corporate network

# How it works

# VPN connection

## Media attention 2018

- All above data plans can be purchased via the We.Stream device or via the Top-Up button on the We.Stream website.
- All data plans can be used in over 140 countries worldwide
- All data plans are charged in advanced for the full period
- Fair Use Policy for Annual and Daily plans: After using the high-speed data, speed is capped to a level where basic browsing, texting and emailing is still possible. Heavy data activities like video-streaming are not recommended.
- The unlimited week plan can't be combined with a yearly unlimited plan
- There are no other subscription fees charged
- All prices on this website are excluding VAT.
